WIC Discovery Advisory Council Official Launch

Georgia's WIC Discovery Advisory Council Representatives:

On behalf of Dr. Rony Francois, Georgia's State Health Officer and Public Health Director and Abdul Lindsay, Georgia's Nutrition and WIC Director, we would like to invite you to our official launch of Georgia's WIC Discovery Advisory Council.

In our commitment to facilitate a collaborative effort among all the districts in reaching a unified WIC clinical solution, we are inviting all council representatives to attend this launch. If you are available to participate in this unique endeavor, please RSVP by sending your contact information to phferguson@dhr.state.ga.us no later than September 15, 2010.

- **Who:** Georgia's WIC Discovery Advisory Council Representatives
- **What:** Georgia's Advisory Council Launch
- **When:** Friday, October 1st 2010 at 9 AM - 5 PM
- **Where:** Macon State College
Professional Science Center Room #211
100 College Station Drive; Macon, GA 31206

At the launch, Dr. Francois will provide the keynote opening remarks regarding his strategic vision for a unified system for Georgia's Public Health Sector. The launch will include training on the Planning Advance Planning Document (PAPD) process, networking and workshops. As council representatives, you will have a distinct opportunity to provide feedback to members of the state leadership team; collaborate and learn from your statewide colleagues; and to participate in this historic process for the state of Georgia! Subsequent to your RSVP, we will send you more details and the agenda in a separate email. If you have questions, please contact me at 404-232-1134.

Thank you in advance for participating on the Georgia's WIC Discovery Advisory Council.

Kind Regards,
The WIC PAPD Team

Phyllis Ferguson

Phyllis Ferguson, CDP, PMP
Georgia's WIC APD Project Manager
